

Leader In Training Program

Summer 2010

Summer seems far off, but we are already getting geared up for the Leader In Training (LIT) Program at Frontier Ranch. Our LIT Program gives high school students (ages 16-18) the chance to learn and serve at our summer camp, Frontier Ranch. Responsibilities include: assisting in activities, recreation and games, janitorial, food service duties, as well as assisting counselors in cabins. We ask that you commit to 3-6 weeks of service as well as one week of training. As you are considering this position, here are some additional things you should know.

HOW TO GET HIRED:

The application process involves filling out the application, making sure we receive all of your reference forms and setting up an interview with one of the Mission Springs staff. You can apply and download reference forms at www.missionsprings.com/jobs_applications.html. Being flexible to work either half, getting your application and references in early and taking the initiative yourself to communicate with us will set you apart from many applicants we receive.

AFTER YOU GET HIRED:

1. You must seek out a team of at least **25 prayer partners** (pastor, youth pastor, family friends, and mature peers) who will commit to pray for you fervently throughout the summer.
2. You will need to **commit to raising financial support or paying** for your summer expenses in the amount of \$75 per week of service. This money will provide a modest amount of spending money for each week, special events, meals and all costs associated with training week. If you decide to pay the amount yourself, we would still like you to send out prayer support only letters.
3. All LITs are also required to attend **LIT Training Week**. This week (June 13-19) is custom designed by our full time staff and your LIT Coordinators to provide you with an opportunity not only to be trained for an awesome summer of service, but also to bond with new friends, grow spiritually, and have some fun!

We are so excited about what God will be doing in and through the LIT program this summer! We hope you prayerfully consider taking on this challenge. If you have any questions, please contact Stacie Daoust at 831-335-9133 ext. 44 or stacie@missionsprings.com.

Sincerely,
The Mission Springs Program Team
