

Request for Scholarship Assistance Mission Springs Outdoor Education

Mission Springs Outdoor Education has established a SCHOLARSHIP FUND for the purpose of providing scholarship assistance to those who would not otherwise be able to attend Mission Springs Outdoor Education camps.

Gifts towards the SCHOLARSHIP FUND are received from many thoughtful individuals who recognize the valuable impact on a person's life that participation in a Mission Springs Outdoor Education experience can make.

Assistance is granted on a partial basis. Scholarships are awarded up to \$100 per applicant. It is expected that each applicant and school will contribute towards the cost of the camp to the extent of each of their ability. Assistance towards travel expense is not available.

Please complete this form for each applicant and send it to the Mission Springs Director of Outdoor Education no later than 2 weeks prior to your arrival at Mission Springs. We will consider your application and inform you of any assistance granted.
