Celebrating 100 Years of God's Faithfulness

Since 1926, Mission Springs has been a sacred haven in the towering redwoods of the Santa Cruz Mountains—a **place where generation after generation has encountered God in unforgettable ways**. What began as a simple vision for Christian fellowship has blossomed into a vibrant, multi-faceted ministry that has shaped countless lives.

Over the decades, Mission Springs has grown into **more than a camp—it's become a spiritual home**. Through programs like Frontier Ranch and Outdoor Education, we've welcomed youth, families, and schools from across California and beyond. Here,

guests have hiked redwood trails, worshiped under starstudded skies, learned about God's creation, and discovered moments that mark their lives forever. At our core, **we've always been about transformation, connection, and creating space to meet God in powerful ways**. Now, as we celebrate 100 years, we're inviting YOU to join us for a once-in-a-century celebration! Throughout the year, we'll share incredible stories from our past, host special events, and look forward to the next 100 years of ministry.

Come celebrate the legacy. Step into the future. Be part of the next chapter of Mission Springs.
